Install Microsoft® Office Live Meeting client or use Microsoft® Office Live Meeting Web Access

Microsoft® Office Live Meeting client is not installed on your computer. If you are unable to download and install the Office Live Meeting client, use Live Meeting Web Access. [Find out more about how to choose between Office Live Meeting Web Access.](#)

Install Office Live Meeting client (Recommended - 15 MB)
By clicking **Accept, Install, and Join**, you agree that your actions are governed by our [Privacy Statement](#) and [Terms of Service](#) and to the following terms:

- The software is licensed, not sold, solely for your personal use in accordance with the terms of the license agreement for Office Communications and/or the web conferencing functionality of Office Communications.
- The software is licensed "AS IS" without any warranty. You can recover direct damages up to the greater of the amount you paid for the software (US \$1.00).
- You agree not to reverse engineer, decompile, disassemble or attempt to do so, and you may not redistribute the software.
- The software may allow you to record meetings and to collect and use information about meeting participants. You agree to comply with all applicable laws and regulations regarding the recording of communications (including but not limited to obtaining all necessary consents and make all necessary disclosures) related to your use of the software.

To accept the terms, install the client, and join the meeting, click **Accept, Install, and Join**.

Use Live Meeting Web Access (Fastest)
If you are unable to download and install the Office Live Meeting client, use Live Meeting Web Access. [Check the requirements for using Live Meeting Web Access.](#)

By using Live Meeting Web Access and joining the meeting, you agree that your actions are governed by our [Privacy Statement](#) and [Terms of Service](#).

To accept the terms and use Live Meeting Web Access, click **Accept and Use Web Access**.

After you join the webinar, close the **Audio Conferencing** box. This feature will not be used.

TO ASK A QUESTION DURING THE WEBINAR:

Select **Q&A** from the menu. A text box appears. On the Q&A tab, type your question into the text box and then select **Ask**. Your question will be answered during the Question and Answer discussion, beginning after the last presentation is delivered.
